1. **Welcome Back to the TKP Family!**

We would like to extend a warm welcome to all our P1 students as well as the new students who have just joined the school. For the P2 to P6 students, welcome back to school after your holidays. We look forward to another exciting year of learning together ahead.

2. **2017 PSLE Results**

Our heartiest congratulations go to our P6/2017 cohort who have completed their primary school education. 98.7% of our P6s have moved on to secondary schools and a good proportion of them (69.3%) were eligible for Express course in secondary school. For individual subjects, the cohort has achieved quality results above those of the National Average in English Language, Mathematics, Science, Malay Language and Tamil Language.

We would like to express our appreciation to the teachers for their commitment and to the parents for their partnership in the last 6 years. We wish our TKP graduates many enriching years ahead in the next lap of their learning journey.
