Through the Principal

Dear Parents / Guardians,

P5 Matters (Term 3)

1. National Education (NE) Show 2018 on Saturday, 14 July

As mentioned in the letter given at the end of Term 2, our P5 students will have the opportunity to experience the NE Show, which is essentially a preview of the National Day Parade. The objective of this is to instill a sense of pride and belonging in our students and bring across the significance of our National Day.

Our students are required to report at the school hall at **2.30 p.m.** on the abovementioned date. Parents can pick up their child/ward from school at **approximately 10.15 p.m.** Do note that this is a tentative time as it is dependent on the time the show ends and the dismissal time from the venue.

2. After-school remedial and supplementary classes

Remedial and supplementary lessons will continue from Term 3 Week 2. English and Mathematics lessons will be conducted on Mondays while Mother Tongue and Science lessons will be conducted on Thursdays, unless otherwise arranged by the subject teachers. These lessons will be held from **2.00 p.m. to 3.30 p.m.** Respective subject teachers will be issuing notification slips, reflecting the dates, to students who have been selected for remedial in the various subjects.

3. Enrichment Programme at Science Centre

As part of the enrichment programme, P5 students will be attending one practical lab session at the Science Centre. The session aims to provide a platform for our students to explore and observe the cells through a microscope and appreciate their significance. It also allows them to develop scientific ethics and attitudes such as creativity, curiosity and perseverance. The session will be conducted **after school**. Kindly make the necessary arrangements to pick up your child from school at 5.30 p.m. on the day that your child/ ward has been allocated.

The details are as follows:
