Through the Principal

Dear Parents / Guardians,

P6 Matters (Term 4)

1. PSLE Preparation – The Last Lap

As the final part of preparing our students for PSLE, teachers will continue with the remedial and consultation sessions. We hope that parents/guardians continue to ensure that the children are getting sufficient rest and eating healthily as part of the PSLE preparation. We would also like to take this opportunity to thank parents/guardians for the support and partnership thus far.

2. Post-PSLE Programme

The last day of the PSLE falls on **Wednesday, 3 October**, which is the Higher Mother Tongue (HMT) paper. Only students taking HMT paper are to report to school. All other students are to report to school as per normal after PSLE on **Thursday, 4 October**.

The school has planned a wide array of activities and programmes for your child/ward after PSLE. These include talks by representatives from the Secondary Schools and Education and Career Guidance (ECG) talks. These sessions have been specially organised with the intention of helping students prepare for their journey ahead in Secondary Schools.

Other programmes include the Values-in-Action activities, as well as learning journeys outside of school. The P6 students will also be involved in the planning and set-up of games booths in a mini carnival for the purpose of fundraising for the school. The school will also organize a cohort tea which will tentatively be held on **Friday, 2 November**. Further details of the activities will be given in a separate letter.

We strongly urge all students to participate fully in the post-PSLE programme as it provides them with opportunities to experience the full complement of programmes in their final year as well as for them to spend time with their peers in this final chapter of the Primary School experience.

Thank you.

Yours sincerely,

Mdm Shairah Sulaiman
Assistant Year Head (P6) – Acting
