Frequently Asked Questions

Q1 : Why is the price on a one-way trip same as a two-way trip?

A: The price is the same as the seat is reserved for your child. The cost of running one trip is fixed, regardless of the number of children in the bus.

Q2 : Do I have to pay the bus transport fees for school holidays?

A: The computation of bus transport fees is based on a 9-month period. Hence, no bus transport fee is payable on June, November & December. (Pro-rated bus fee for the month of June or November will be charged for those students who commence the bus service either in June or November)

Q3 : When do I need to make payment?

A: All payments should be made in advance by the third of each month. The invoice will be issued to the driver on the 26th of each month and he will in turn forward the invoice to you by the following day. For example, the invoice for February will be sent out on 26 January and the payment should be made by 3 February. The bus transport services may be suspended or terminated without prior notice if the payment is not received by the stipulated date.

Q4 : How do I make the payment for the bus transport fees?

A: Parents are advised to make cheques payable to COMFORTDELGRO BUS PTE LTD. Please submit the cheque together with the payment slip to the driver of your designated bus transport services from Home to School. Do not submit them to the driver for the return trip unless your child(ren) is only registered for the return trip. Please do not issue post-dated cheques.

Q5 : Whom shall I hand over the payment if there are two different drivers serving us?

A: All cheque payments must be made to the driver providing the bus transport services for the Home to School trip and not to the driver for the return trip.

Q6 : How will ComfortDelGro Bus know if the payment has been made?

A: The Company monitors closely all clearances for cheque payments.

Q7 : Will the bus driver call to inform us on the pick-up time and waiting point when school re-opens?

A: An SMS consisting of the driver's details, such as name, contact number and vehicle number, will be sent to the parents within two to five days before the school term begins. The driver will also contact the parents to confirm the arrangements. Parents are to contact the driver directly to make the necessary arrangements.

Q8 : What is the procedure and notice period required if I make changes to the pick-up or drop-off points or the residential address?

A: We seek parents' cooperation to email requests for change to school@comfortdelgrobus.com.sg at least two weeks in advance. Otherwise, rearrangements may not be possible.

Q9 : What is the notice period for terminating the arrangement for bus transport services?

A: To terminate the arrangement for bus transport services, please provide the Company with one month's written notice. A month's bus transport fees in lieu of the notice should also be given. Please submit the withdrawal notice to school@comfortdelgrobus.com.sg.

Q10 : Is my child allowed to take a different bus for the return trip?

A: We do not allow children to take a different bus for the return trip. They are advised to take only the designated bus.

Q11 : Why is my child the first to be picked up and last to be dropped off?

A: The pick-up and drop-off sequence varies as they are dependent on the route travelled.

Q12 : Why is my child not the last to be picked up although we reside closest to the school?

A: It is sometimes not feasible to pick up the child staying closest to the school last as timings are dependant on the other families. Traffic laws and conditions are also taken into account when routes are being planned.
